COALITION MEMBERSHIP REQUIREMENTS

Coalition membership **demonstrates** that the majority of Riverside County sober living homes are healthy, safe, well managed and ethical. The **Riverside County Coalition is a membership trade association for quality homes**. Once all membership requirements have been met your home will be placed on the Quality Sober Living Home Referral 800 number and an Approved Certification will be mailed. The following are the membership requirements.

1. Complete the membership application and review the membership requirements. Complete and application with the following attachments.
 - A signed copy of the Code of Ethics.
 - The endorsement page of your liability insurance coverage. \$500,000 minimum.
 - A copy of any brochures (information sheet), your resident agreement, rules and policies.
2. Prepare the \$100 application fee payable to the Riverside County Sober Living Coalition. Add \$50 for each additional location operated by you or your organization.
3. Prepare your home for inspection by reviewing the Pre-Inspection Instructions and Inspection Check List. Preparation is essential to avoid a follow up visit.
4. The Field Office will contact you for an appointment to visit your home.
5. The inspector will prepare a summary sheet with comments for any improvements.
6. Sober living homes do not provide services that meet the State Department Alcohol and Drug Program (ADP) alcohol & drug facility licensing requirements as stated in Chapter 5, Title 9, California Code of Regulations, Subchapter 1. Purpose and Definitions.

No one shall operate a facility which provides 24-hour nonmedical, residential, alcoholism or drug abuse recovery or treatment services to adults without first obtaining a license from the Department of Alcohol & Drug Programs (ADP). "Alcoholism or Drug Abuse Recovery or Treatment Service" means a service which is designed to promote treatment and maintain recovery from alcohol and drug problems which includes one or more of the following: detoxification, group sessions, individual sessions, educational sessions, and/or alcoholism or drug abuse recovery or treatment planning.
7. Attend Coalition Meetings regularly. Houses that miss three unexcused meetings will be removed.
