APPLICATION CHECKLIST & MEMBERSHIP OPPORTUNITY

Join other **quality sober living homes** that are demonstrating that Sober Living Network homes are healthy, safe, running well, and ethical. The Sober Living Network is accepting applications from sober living homes willing to be recognized.

The more member sober living homes there are, the better we can influence our future. Both the State and County are still planning to regulate unlicensed “residential” facilities. Government regulation complications can be avoided if homes join as a trade association.

County and State Alcohol and Drug Authorities are recognizing that Sober Living Homes, Oxford Houses and other recovery support resources are as essential

The following steps will establish that your home meets basic quality guidelines:

1. Review our Membership Requirements and Code of Ethics.
2. Complete a **Developing and Operating Sober Living Housing** workshop. Dates are available on www.soberhousing.net
3. Prepare your Sober Living Home for inspection using the Pre-Inspection Checklist. Make sure you have our Grievance Policy posted in your home prior to inspection.
4. Have the following paperwork together and ready to give to the inspector:
 - a. Copies of training certificates (Owner and Head of House)
 - b. Copy of personal liability insurance policy (500K minimum)
 - c. Signed code of ethics
 - d. All intake forms used for your guests
 - e. Information page on your home
 - f. \$200 annual application fee payable to the Sober Living Network
 - g. \$100 annual application fee for additional homes

▪ The Inspector will give your application and all paperwork to the Field Organizer who will then notify you if any changes need to be made in your paperwork. The Field Organizer will submit approved home applications to the Sober Living Network. The SLN will add approved homes to the website and provide a Member Certificate the following month at regular Coalition meetings. This process may take 30 – 60 days, longer if corrections need to be made, or if your home was not ready for the first inspection. If your home needs to be re-inspected for any reason you are required to pay the inspector an **additional \$35.00 for each follow up visit.**
